GARD&ROCK

is a French brand specialised in the layout of external spaces and outdoor activities.

We offer **innovative, stylish and quality products** equipped with our **patented ground-clipping**

system enabling quick and removable attachment of outdoor equipment (parasols, clothes dryers, gazebos, shade sails, solar spotlights, sports posts and bird houses, etc.).

You will be able to lay out and free up your outdoor space in a flash as you see fit (relaxation, meals, sports, games, etc.).

With **GARD&ROCK** you will get the most from your garden.

Here is an overview of our upgradeable range:
